

Welcome to the OIH!

Nice to meet you. Learn about the basics of life at OIH such as internet, washing and printing.

- [Getting started](#)
- [Internet](#)
- [Laundry and Printing](#)

Getting started

We manage some things in the tower (including the network , Washing/Printing and different AGs) in the form of a registered , non profit association.

A membership costs 30€ each semester. For it , you will have internet access as well as other services such as washing and printing.

If you want to use these services you need to follow these steps

-First things first: Create an account on oih.ac and contact the house speakers. They will register you in the club.

-2nd Step: to get internet, you need to sign the registration form for membership and send it via email to haussprecher@oih.ac .After you send an email one of the housespeakers will get in touch with you.

-3rd Step: pay the membership fee with bank transfer or cash

Bring the following items with you:

- Passport/ID
- Rent contract

We need them in order to confirm that you're an OIH resident.

Internet

We have three ways of getting online at the OIH. Check out [Our Networks](#) for more information!

Laundry and Printing

Credits are used for washing and printing services. Here is the credit breakdown:

- 5€ for 166 credits
- 10€ for 332 credits
- 15€ for 500 credits

Every time you buy credits, you receive a code. On the website oih.ac, on the right side, you will find "Account" where you can find the "Redeem" section. There, you enter the code and click on the button on the right to confirm it. After that, you can check your balance to see if it worked.

To buy credits you can contact Ameni via whatsapp +49 176 74695424

A washing appointment costs 60 credits and lasts 2 hours and 40 minutes. You can book the appointment through the website (oih.ac). There are two washing machines: a green one on the right and a blue one in the middle. The dryers are free to use and can be used up to an hour after your appointment ends. To activate the washing machine, you can do it directly from the website oih.ac using your phone 'Activate'

"Activate for one minute" means that after your appointment ends, the washing machine door cannot be opened to take out your clothes. You can click "Activate for one minute" without waiting for the next person's appointment. If you face any issues with the washing machine, you can contact one of the washag.

The washing and printing rooms are located in the basement.

For printing, one black and white page costs 1 credit and color printing costs 3 credits.

Check out the Printing section under Network for more information!
